## PUROBEACH MARBELLA

Purobeach Marbella is located directly on the beautiful beach close to Estepona. Enjoy the spectacular views of the Gibraltar rock and the Moroccan Atlas mountains.

Purobeach is a hang out by the sea, with a lifestyle concept including food & drinks, a lounge, terrace, pool & yoga – in short, everything to satisfy body, mind and soul.

Purobeach mixes the human need for health and spirituality during the day and a vibrant party mood by night.

Enjoy yoga at dawn, the massage programme “global treats” or simply relax in one of the private Nomad Tents™ around the pool or on the sunbeds on the beach. DJ’s spin guests into a smooth state of mind from early afternoon until late night while guests worship the sun, have a salad by the sea or lounge in the shade of the interiors filled with inviting low sofas and poofs. A Sunset Ceremony kicks off the evening and an exotic party setting, complete with music, food & drinks, continues well into the night. Those travelling by sea can take advantage of the hotel’s Kempinski complimentary dinghy service.

## LOCATION

Locate in Laguna Village shopping Center of the N340 (Crta. Cádiz) between Puerto Banus (12km) and Estepona (2km). Next to the Kempinski hotel.
