## PURO PALMA, SPAIN - MALLORCA

Puro is a restored 18th century town palace, an oasis where urban contemporary luxury and cosmopolitan spirit meet Spanish history. A hotel for global nomads looking for a casual atmosphere that embraces today’s luxuries, rather than the trappings of traditional prestige.

Reflecting this ethos, bathrooms are transformed into spas, where worn down ‘bodies and minds’ can be re-energized. Enjoy the hotel’s lifestyle tunes in the patios or just simply stay in bed letting our art sound & vision system entertain you.

## LOCATION

In Palma old town, La Lonja, next to the yacht harbour. Ideally located in the centre of the historic and shopping districts of Palma.
