CONDITIONS

GENERAL CONDITIONS

MUSIC

Music is the hallmark of the Puro brand, it is carefully chosen by our resident DJs and consists of several musical styles (lounge, soulful & house), which changes according to the hour of the day. For this reason it cannot be changed or adapted for any event.

We are not allowed to host live music or acts. Volume is limited to 90db (conversation level). Music in outdoor areas is allowed until 10.00 p.m.

OPERATIONAL

At Beatnik a reservation is considered as a group as such when there are more than 10 people. For reservations less than this number we suggest contacting the beach club or hotel directly, as they will offer you personalized service.

Some culinary services require a minimum number of guests; should the number of guests fall under this minimum, we will charge a supplement.

The wines included in our beverage package will be served only during the arranged time.

After this time, drinks will be charged under normal consumption.

The client is required to confirm in writing the menu selection, number of people, timings and final details, at least 15 days in advance.

Food and drinks from outside are not allowed.

USE OF HAMMOCKS IN PUROBEACH

We highly recommend to reserve your sunbeds in advance. Sunbeds for groups are obliged to take a package. The reservation will be maintained until 12:00. From that time on sunbeds will be canceled in case the client hasn't showed up. For groups bigger than 60 persons we require a contract of exclusivity.

PAYMENT POLICY

50% deposit to be paid upon confirmation.

If you have not chosen a specific menu, the first deposit will be calculated by multiplying the number of requested attendees by the least expensive menu and drinks package.

The remaining difference must be paid 15 days before the event.

A guarantee credit card authorisation, signed by the holder, is required for event extras. Extra costs must be paid on the day of the event before leaving the hotel.

Variations in the number of guests, area arrangements and set-up may affect the event's initial budget.

CANCELLATIONS OR REDUCTION OF BOOKED SERVICES

Cancellations or reductions of placed orders and reservations must be notified by e-mail to our sales department. Menus and final reservation numbers will be closed 15 days prior to the event. After that moment any reduction of people will be 100% charged. Will be charged for groups bigger than 25 people.

TOTAL CANCELLATION OF CATERING SERVICES

If cancellation occurs with less than 21 days before the event, 50% of the fee agreed for the event will be charged along with all hired services.
